

Gooseberry Alert 04 Location Sharing

Welcome to your 'Gooseberry Alert'. Please feel free to **share the 'Gooseberry Planet Tips/Thoughts of the Week'**. Helping to keep you and your whole school community **Safer Online**.

Gooseberry Planet Staff Tip of the Week

Planning on going on an Easter egg hunt this Easter? Think about what and how you share online.

Location Sharing – Be secure and avoid sharing your location whilst you are out and about this Easter. Not only does this tell people where you are it also tells them where you are not! **If you must 'Check-In' or give details about where you are, think about who can see your location and personal information or consider posting a bit later.**

Photo Sharing – If you plan on posting photos online and they include friends, family and specifically children. It is always polite to ask permission from them before posting photos and information online. Believe it or not, there are some people who do not want to add to their **digital footprint** and have their photo online.

We will be back next week with another safety tip for all school staff.

NEED ADVICE?... NEED ADVICE? ... NEED ADVICE?... NEED ADVICE? ...

Gooseberry Planet are pleased to support Michelmores **Solicitors**, who are offering their legal services to all GP schools **free of charge for 6 months**. *JustAsk* is a support service provided by an experienced team of Education lawyers, giving schools direct access to specialists to discuss an unlimited number of queries.
