

Social Media Questionnaire

Answers

1. Which of these platforms are not social media?

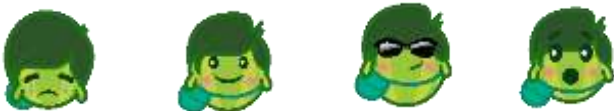

They all are. Some might circle YouTube but this is also a social media platform

2. Which social media platforms do you use?

3. How does it make you feel using the above platforms? (*Sad, happy, cool, shocked*)

4. Why do you use social media?

Everyone does
Fear Of Missing Out
Makes me feel good
I don't use it
Other:

5. Have you seen things on social media that have made you upset or worried?

YES NO

6. Which gaming platforms do you use to talk with other players?

All of these can be used to chat with each other during gaming. The most popular way with younger children is via the game chat with the games themselves. Older children will use platforms such as Twitch and Discord.

7. Do you know there is a recommended age for social media usage?

YES NO

8. Can you give the recommended age limits for:

Facebook 13 +

Instagram 13+

Snapchat 13+

YouTube 18+

Twitter 16+

WhatsApp 16 +

When searching these in the app stores, the developer has placed most in the 12+ category, but reading the terms of use the recommended ages are above.
